Technology Demo — Storyboard

Seven chapters: send → proof (cinematic walkthrough on site)

7 chapters

Simulation

May 2026 · <https://embox-site.pages.dev>

Cinematic Storyboard

- 1 Sender hits send**
Your address — not your inbox — is on the envelope.
- 2 Cloud validates**
Fake senders and marketers stop here.
- 3 Secured at home**
The porch never sees your account number.
- 4 Glance at door**
You know the bank came — not your balance yet.
- 5 Retrieve**
The tap is legal proof at your address.
- 6 Read indoors**
Privacy where you live.
- 7 Proof exported**
The bank gets yes, with timestamps.

Live Walkthrough

Full interactive demo with photography at each step: <https://embox-site.pages.dev/demo>

Play story auto-advances through send, route, secure, glance, retrieve, read, and proof.
